<https://community.citizensclimate.org/events/item/23/3108>

Also, be sure to tune in a televised Earth Day Anniversary program on WGBH Climate Change — The Facts on **April 22nd** at 8pm

“**Climate Change is not a belief system. We know that the earth’s climate is changing thanks to observations, facts and data about God’s creation, that we can see with our eyes and test with the sound minds that God has given us.**”

– Dr. Katharine Hayhoe,
Texas Tech University
climate scientist
and self-identified
evangelical Christian
